

ORIENTATION GUIDE

School of God's Purpose

Your journey through the School of God's Purpose

Welcome to the School of God's Purpose (SOGP). SOGP will help you gain clarity about God's truth, discover His purpose for your life, and grow to fulfil it. This short guide walks you through the journey ahead.

Your SOGP journey

Your SOGP journey has two phases: the Pre-SOGP phase and the SOGP phase itself.

The Pre-SOGP phase

The Pre-SOGP phase begins the moment you enrol for SOGP, and your welcome message is your first lesson. It runs for the 14 days leading up to your cohort. Each day, as you count down to SOGP, you are expected to take part in:

1 Morning Prayer Watch (5:30 am)

2 Lesson for the day

3 Podcast review

The SOGP phase

When your cohort for the School of God's Purpose begins, your daily schedule will be:

1 Morning Prayer Watch (5:30 am)

2 Preview of the teaching for the day

3 Review of the teaching for the day

Podcast review is part of Pre-SOGP only and is not required once your cohort begins.

Live weekend sessions

On the weekends you will also join two live sessions:

- 1 Q&A session
- 2 Weekly teaching and ministry session

Staying on track

If you miss some days, don't panic. It does not mean you have fallen behind or failed. To keep going, simply reopen that day on your dashboard and pick up from where you left off.

You are never walking this journey alone. The Telegram group is our home base for announcements, reminders, and links, and Morning Prayer Watch is live-streamed on YouTube so you can join from wherever you are.

If anything ever feels unclear, please reach out to our Community Managers. Their handles are published on the channel, and they would be glad to help.
